CONNECTING PEOPLE & PLACES

How to create a QR code for people to donate

1. Open a QR generator (Google "QR generator" and choose an appropriate one).
2. Choose the content type (URL is most common; some support email, phone, SMS, Wi-Fi).
3. Paste your invite link (see steps above to get your team join link on desktop or mobile).
4. Click Generate & Download as a JPG file.
5. Test with multiple phones.
6. Open poster in Adobe Acrobat on PC (Online version won't allow pdf to be edited) , and click the QR code area to add your QR code to the poster.
